

Demo 1

# About us

- Team members:
  - Didrik, Filip, Anton, Johan, Blenda, Jakob, Oskar
- <https://team-eight.github.io/> - Information about sprint
- GitHub - <https://github.com/Team-Eight/sthlm-commuter>

# Our project

- What it's about
- Johan Nilsson /sthlm-traveling (Open source project)
- Mainly front end
- Working on the project for over ten years

# Working on someone else's code

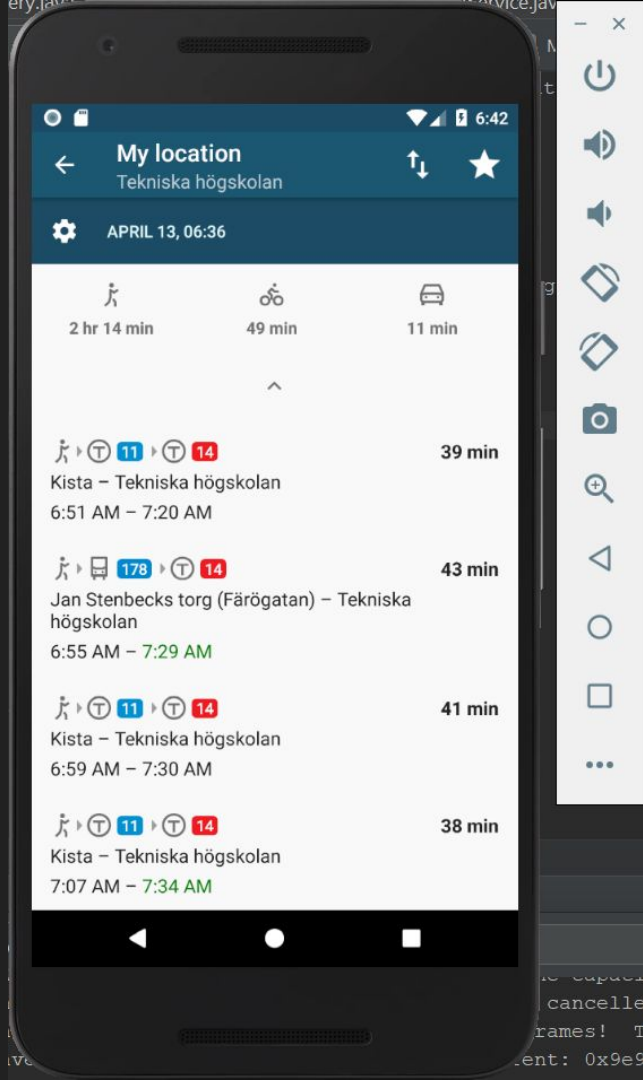

- Little to no experience
- 20 000+ lines of code
- No documentation
- No access to back end
- Developed in spare-time “Don't take it too seriously approach”

# Examples of features to implement

- Tabs
- Alarms
- Combine trips

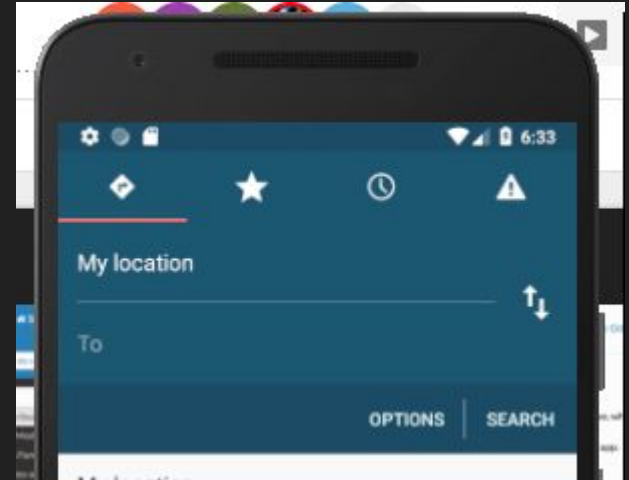

# Sprint goal

- Setting up
- Android app in Android Studio
- picture of emulator ->

# Stories

- Understanding the code structure
- Search function
- Deviations
- Changing time for arrival/destination
- Travelmode
- Real-time
- Favourites
- History

# Result

- How to demo
- Wiki - Documentation for internal use
- No new features
- <http://sthlm-computer.readthedocs.io/>

The screenshot shows the navigation menu for the Stockholm Commute documentation. At the top, it says "Stockholm Commute" with a home icon and "latest" below it. There is a search bar labeled "Search docs". Below that is a "About" section with a dropdown arrow. The dropdown menu is open, showing the following items: Contributors (highlighted), Travel Mode Function, Search Function, Favorites and Journey history, Time, Activities, Objects, Via, Deviation, History, Location (GPS), Notifications, and FAQ. At the bottom of the menu, it says "Read the Docs" and "v: latest" with a dropdown arrow.

The screenshot shows the "About" page of the Stockholm Commute documentation. At the top right, there is a link to "Edit on GitHub". The page title is "About" with a link icon. The main text reads: "We're a team of students currently located at KTH. Currently taking part of a project course, where we've chosen to experiment with the [STHLM Traveling](#) app. Our goal is to gain a deeper understanding of Agile Development, and to add some extra quality of life functions to the app." Below this, it says: "The following sections contains the members of Team 8 and ways to contact them." The section title is "Contributors". The text says: "The members of Team 8 are the following:" followed by a list of team members with their roles: Filip Appelgren (Project Owner), Oskar Hahr (Scrum Master), Didrik Axelsson, Jakob Berggren, Johan Edman, Anton Ehlert, and Blenda Fröjdh. Below the list, it says: "Should there be any questions/problems, they are the the ones who should be contacted. There's currently no single entity to contact, so simply contact one of the above listed team members (click their respective names)." At the bottom, there are "Previous" and "Next" navigation buttons. The footer contains the copyright information: "© Copyright 2018, Team 8. Revision e2518d77." and a note: "Built with [Sphinx](#) using a theme provided by [Read the Docs](#)."

# Questions?

- We are in G303 if you want to come by and talk about the project
